Weather Key Points

Regional Operations Center

Western Region

Monday, November 14

- A moderate to strong Santa Ana wind event with wind gusts of 40-60 mph, and up to 70 mph for wind-favored canyons, is expected Tuesday through early Thursday (strongest Wednesday) in southern California, with locally elevated fire weather conditions
 - Elevated to critical fire weather conditions are expected Wednesday across southern California
 - Gusty winds are expected north into portions of the Central Valley and the Sierras.
 - Another period of gusty winds is possible on Saturday across the southern California mountains, though this will not be as strong as winds on Tuesday and Wednesday
- Below normal temperatures persist over much of the state through the week. Overnight low temperatures will fall into the 30s across the Central Valley and areas closer to the coasts, with single digits over the higher elevations.
 - Areas of frost are possible overnight into early morning hours through the week across much of Inland and Coast regions.

SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

2022 May Monkeypox Virus

On 08/01/22, the Governor proclaimed a State of Emergency to support the State's response to Monkeypox. A copy of the proclamation can be found [here](#).

The California Department of Public Health (CDPH) activated the Medical and Health Coordination Center (MHCC) at Level 3 (low) in response to the 2022 May Monkeypox Virus event on 05/24/22; and increased the activation to Level 2 on 07/18/22.

- Hours of Operation: Monday to Friday, 0800 hours to 1700 hours until further notice.

COVID-19 SUMMARY

Coronavirus Disease 2019 (COVID-19)

On 03/02/20 at 0700 hours, the Cal OES State Operations Center (SOC) activated at Level 1 in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

SMARTER Plan

On 10/17/22, Governor Newsom unveiled the "[California Smarter Plan Updates October 2022](#)". The plan emphasizes continued readiness, awareness and flexibility and helps ensure California can maintain its focus on communities that continue to be disproportionately impacted and stay prepared to swiftly and effectively respond to emerging COVID-19 variants and changing conditions. Governor Newsom is set to lift the State of Emergency in early 2023, and this update provides information on California's progress to date and how we move forward.

CDPH Statewide Travel Advisory
